Providing care for up to 34 people, Dounemount Care Home is set on a hill within its own magnificent grounds in the town of Macduff in Aberdeenshire.

Dounemount is a spacious, traditional house spread across three floors with a purpose-built extension on one level, which offers excellent standards of residential, dementia (including for residents with Alzheimer's), nursing and respite care.

To ensure every day is different at Dounemount, we offer an extensive activities programme which includes something for everyone; socialising, quiet time, hobbies or learning something new.

### **We Offer:**

Varied Activities Programme  
Highly Trained and Dedicated Team  
Beautiful Courtyard Gardens  
Free WiFi  
Home Baking & Nutritious Meals  
Minibus for Excursions

EVERY DAY IS  
DIFFERENT AT  
DOUNEMOUNT

# A CARING AND SUPPORTIVE TEAM

**Visitors and residents often comment on the warm welcome received at Dounemount Care Home and that is all thanks to our incredibly dedicated and passionate team. Caring for our residents with kindness, compassion and dignity comes as second nature.**

We pride ourselves in caring for every individual in a holistic and sensitive way in order to maintain dignity and privacy but still promoting independence and freedom of choice.

And if you are looking for variety, Dounemount has it in abundance.

There's plenty of social events, entertainment and activities to ensure there is always something interesting and stimulating going on. From dancing, flower arranging and arts and crafts to pet therapy and quizzes, the list is endless. Plus, our Activities Co-ordinator will support you with any hobby or reminiscence sessions and shopping trips.

In addition to this, our home enjoys fantastic views of the surrounding countryside, and our beautiful courtyard garden provides easy and safe access to fresh air and time with nature.
